COURSE DESCRIPTION

Based on the fact that knowledge is the gateway to engagement, the 'HR Management course' is designed to build participants' awareness and knowledge of the major functions that make up a modern HR department. The modules of this course are considered fundamental and include basic knowledge as well as the latest trends and keys to effectiveness. If you are looking to strengthen your knowledge, venture into a specific HR function or embark on an HR business partner role, then this course should be your first course to consider.

COURSE METHODOLOGY

Each day will be dedicated to one topic that will be extensively explored. Evolutionary trend analysis, skill-building exercises, role plays, and videos are some of the training methodologies used. Moreover, every day will have an allocated slot to explore additional topics of interest or unresolved challenges in the workplace.

COURSE OBJECTIVES

By the end of the course, participants will be able to:
